

SELL YOUR VEHICLE THROUGH COPART

You can sell your vehicle using our unique online auction platform. Copart is the leading online re-marketer of vehicles in the world. We sell vehicles through VB3, our patented online auction technology.

Our extensive buyer base means we may be able to realise a better price for your vehicle. We understand how difficult and time-consuming it can be and that's why we've invested in technology and service to break down these barriers and help people quickly and easily sell their vehicle.

Benefits of using our unique online auction platform

- Set a reserve price on your vehicle
- Promote your vehicle to thousands of potential buyers all over the world
- Low seller fees
- Simple admin and money receipt

All you have to do is

- Bring your vehicle along with ownership documentation (eg. Registration card) to our facility in Dubai Industrial City.
- Set a reserve price on your vehicle
- Fill in the consignment form and email it to infouae@copart.com
